

Dear Sponsor Agency,

Thank you for completing this form on behalf of your BTG candidate.

Bridging the Gap (BTG) is a 64-hour professional development program that prepares bilingual individuals to work as medical interpreters. BTG is taught in English in eight separate daily sessions. BTG is used to train novice and experienced medical interpreters, and it is the first step towards national certification. Both accredited national certifying bodies, the Certification Commission for Healthcare Interpreters (CCHI) and the National Board of Certification for Medical Interpreters (NBCMI), accept BTG.

Please take a minute to provide us with some your agency's information.

It is the responsibility of the sponsoring agency to certify the level of language proficiency of each candidate they sponsor. If the candidate is unable to perform at semi-proficient or higher, they will not succeed in the Bridging the Gap Training, language tests, and national training. Please interview each candidate you sponsor and complete this form. Thanks!
